

WEB WEAVERS

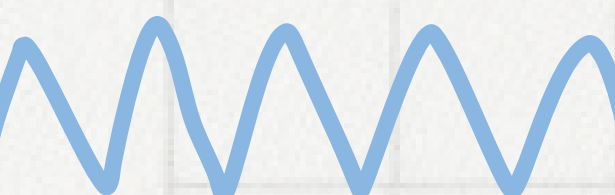

LANDING PAGE

Presented by Karthikesh

WHY ELEVATE LAND DESIGN

Since a lot of content creators lacks in technical skills we are here to make their life fruitful by designing them a landing web page for their growth and development.

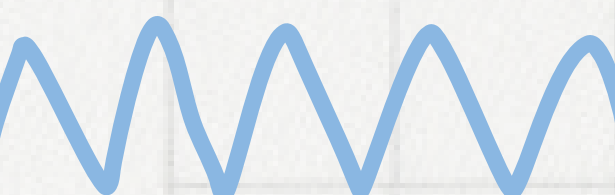

LANDING PAGE FOR CLIENTS

Project vision and mission

**Our goal is to make better
and standard web page for
content creators and
celebrities since it builds a
strong growth in their career**

Creation process

We have built a landing page which has

- HOME BAR – clients name and data
- SERVICES – Creator description
 - Social media marketing description
- CONTACT – email id
 - contact number

The background is a light gray grid. It is decorated with various hand-drawn blue doodles, including loops, swirls, a zigzag line, and several checkmarks.

Thank you very much!
